Why CBDelicacy?

CBDelicacy products are crafted with the intention of keeping your pets happy and healthy for years to come. Our products are designed to help them with daily ailments such as; hip and joint issues, inflammatory problems, reliving daily stress, appetite stimulation and so much more. Each one of our ingredients have been selected with your pets in mind. *CBDelicacy* uses natural ingredients, each one providing benefits for your companion. Our products have been tested and approved by some of the pickiest of pets around the country!

At *CBDelicacy* we are passionate about what we do because we know we're not just making pet treats, we're creating wellness solutions that truly make a difference.

Benefits

Reduces Anxiety & Stress

Hip & Joint

Relieves Inflammation & Pain

Promotes Healing

Stimulates Appetite

Support Digestive System

What's best for your pet?

CBDelicacy Treats have been crafted to improve daily ailments; minor stress, inflammation, etc. A small daily dose to see improvements over a stretch of time.

Does your pet suffer from more severe anxiety? Such as; separation anxiety, thunderstorms, car rides, vet visits or even the groomer. Try our **Peanut Butter & Meal Topper!** It offers a more stimulating experience and offers more CBD per serving size.

Bark Butter helps from the outside in. Massage your companion with a generous amount on any dry, itchy or inflamed area for a soothing, moisturizing topical relief.

CBDelicacy Treats

CBDelicacy has created an organic and locally sourced daily supplement suitable for all stages of your pet's life.

Our treats are crafted with a low dose of CBD (2mg) so they can be tailored to any size pet. In addition to CBD, our treats contain turmeric as a natural anti-inflammatory, vitamin C to aid as an immune boost and natural preservative, and salmon oil to promote a healthy coat and relieve skin allergies.

BENEFICIAL BEEF 2MG/TREAT (60 CT)

Beneficial Beef is packed with flavor for the pickiest of pets.

CHILLIN CHICKEN 2MG/TREAT (60 CT)

Chillin' Chicken provides a neutral balance of protein and grain, best for companions with a sensitive stomach.

SOOTHING SALMON 2MG/TREAT (60 CT)

Soothing Salmon is best for companions with skin and coat sensitivities.

Peanut Butter

CBDelicacy Peanut Butter creates a stimulating experience while also providing a sense of calmness & relaxation. Spread it over a lick mat and toss it in the freezer for extra long lasting enjoyment!

This product is recommended to be used in stressful environments, such as: fireworks, separation anxiety, thunderstorm, and more. It takes approximately 45 minutes to see the desired benefits of *CBDelicacy* Peanut Butter.

Bark Butter

Try this once and you'll never go back to your average paw balm. Bark Butter is made with all natural and organic ingredients. Great for dry, itchy skin, hot spots, inflammation, and more. Bark Butter also acts as a barrier between your pets paws and the salty sidewalks they face every winter. Improve your pets quality of life today by starting them on *CBDelicacy's* finest products.

Directions for use: Apply generously to skin, paws, and nose. Re-apply as needed.

Ingredients: Full Spectrum CBD, Organic Raw Avocado Oil, Organic Cold Pressed Coconut Oil, Raw Unrefined Shea Butter, Pure Beeswax

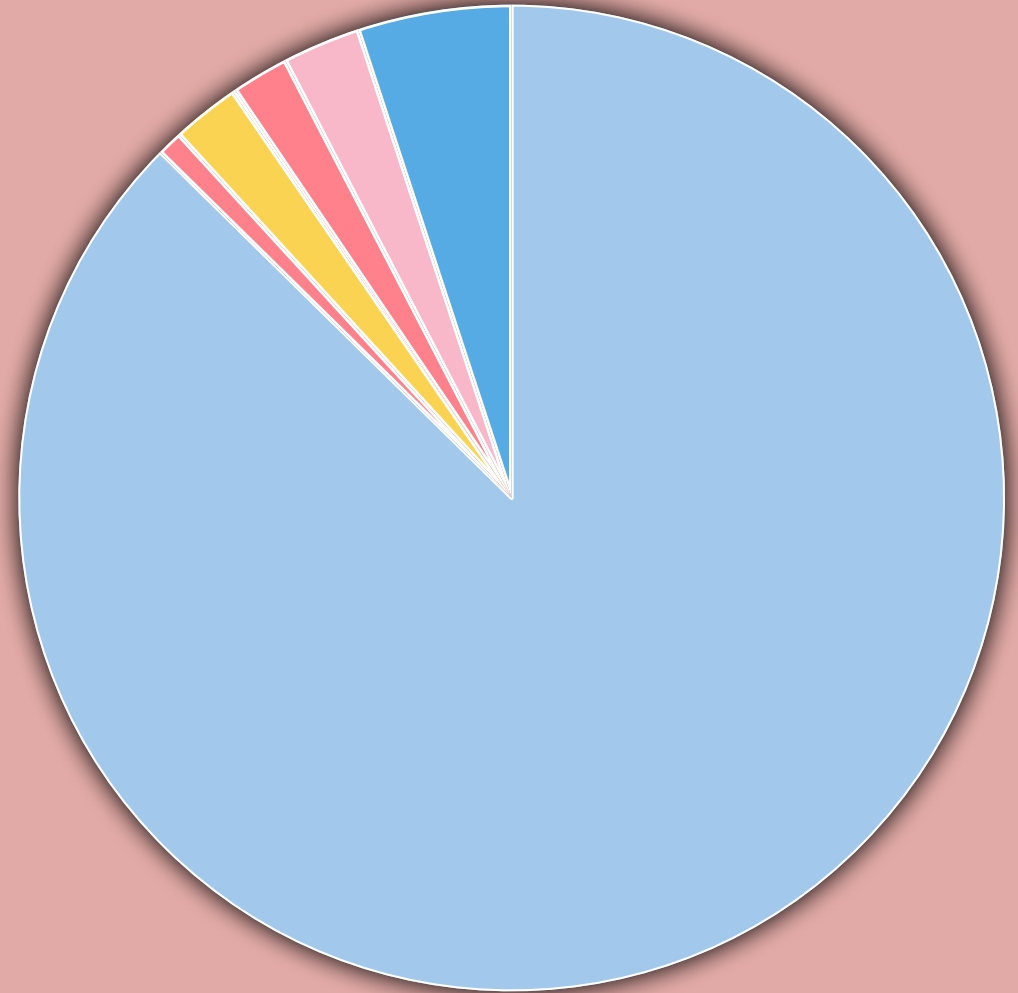

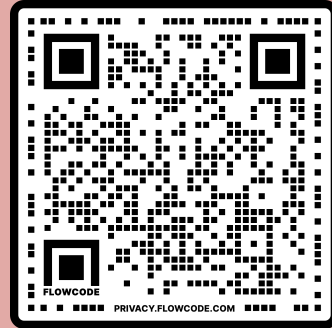

DNA Hemp Cannabinoid Profile

95.39% Total Cannabinoids

2.58% Max THC

87.76% Max CBD

Cannabinoids are quantified using performance liquid chromatography. Total Cannabinoids is the sum of all detected cannabinoids

MAX THC THCa is converted to THC by heat. Max THC is the maximum amount of THC that can be derived from this product.

Use the following formula to find the Max THC= $THC + (THCa * 0.877)$

MAX CBD CBDa is converted to CBD by heat. Max CBD is the maximum amount of CBD that can be derived from this product.

Use the following formula to find the Max CBD: $Max\ CBD = CBD + (CBDa * 0.877)$

Other* This represents materials other than cannabinoids in the product.
